Paragraph 1: This is some sample text for testing sequential extraction. Line 1 follows the previous one in order.

Paragraph 2: This is some sample text for testing sequential extraction. Line 2 follows the previous one in order.

Paragraph 3: This is some sample text for testing sequential extraction. Line 3 follows the previous one in order.

Paragraph 4: This is some sample text for testing sequential extraction. Line 4 follows the previous one in order.

Paragraph 5: This is some sample text for testing sequential extraction. Line 5 follows the previous one in order.

Paragraph 6: This is some sample text for testing sequential extraction. Line 6 follows the previous one in order.

Paragraph 7: This is some sample text for testing sequential extraction. Line 7 follows the previous one in order.

Paragraph 8: This is some sample text for testing sequential extraction. Line 8 follows the previous one in order.

Paragraph 9: This is some sample text for testing sequential extraction. Line 9 follows the previous one in order.

Paragraph 10: This is some sample text for testing sequential extraction. Line 10 follows the previous one in order.

Paragraph 11: This is some sample text for testing sequential extraction. Line 11 follows the previous one in order.

Paragraph 12: This is some sample text for testing sequential extraction. Line 12 follows the previous one in order.

Paragraph 13: This is some sample text for testing sequential extraction. Line 13 follows the previous one in order.

Paragraph 14: This is some sample text for testing sequential extraction. Line 14 follows the previous one in order.

Paragraph 15: This is some sample text for testing sequential extraction. Line 15 follows the previous one in order.

Paragraph 16: This is some sample text for testing sequential extraction. Line 16 follows the previous one in order.

Paragraph 17: This is some sample text for testing sequential extraction. Line 17 follows the previous one in order.

Paragraph 18: This is some sample text for testing sequential extraction. Line 18 follows the previous one in order.

Paragraph 19: This is some sample text for testing sequential extraction. Line 19 follows the previous one in order.

Paragraph 20: This is some sample text for testing sequential extraction. Line 20 follows the previous one in order.
